

SINCE 1990

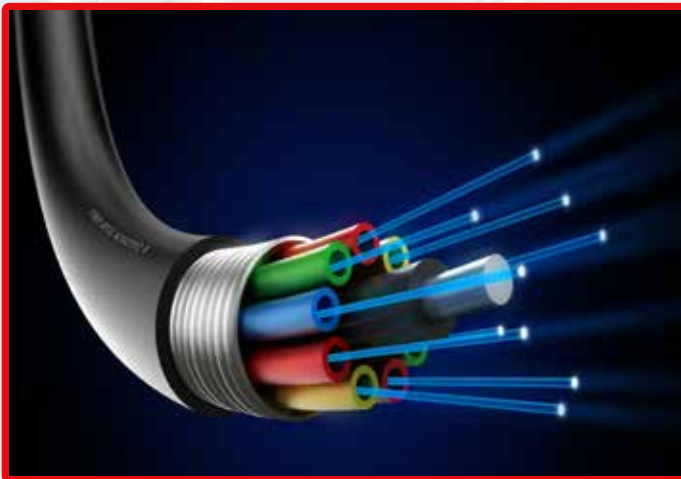

An ISO 9001 : 2008 Company

ISO 9001 : 2008

INDUSTRIAL TECHNOLOGY CO.LTD

Calibration & Instrument Services Department

A Subsidiary of Al-Attas Group

INTRODUCTION

ITE is a subsidiary of Al-Attas Group in Saudi Arabia & Dubai and also, An ISO 9001:2008 certified company. We interest in multifarious fields such as Power & Electrical, Telecommunication System, Mechanical, Heavy Equipment Rental Services. We also deal in supply of all type of Electrical and industrial materials

Along with our other partners and alliances, ITE is emerging to provide highly technical and competitive capabilities at the time where concentration of telecommunication is in the supply market, and the need for innovative and flexible execution approaches are stronger than ever.

ITE Calibration Services That has the best class quality systems. This is where ITE CALIBRATION SERVICES comes in, to provide an excellent solution to help ensure that you will always receive precise, reliable and fast calibration services.

Calibrating Instruments are accomplished by comparison to standards maintained by ITE CALIBRATION laboratory which is certified in ISO 9001:2008 and using standards .Also, our lab follows ISO/IEC 17025-2005 Certified Procedures

MISSION STATEMENT

Registered and licensed in Kingdom with the aim of building a strong foundation as a commercial contractor throughout the nation. Considering the current industrial growth in the region, we recognize the need for more reliable and capable service organizations.

ITE's vision is "To further strengthen and expand our new established position, and continue being the first choice for Clients and Prospective Customers". ITE's mission is "To serve its customers with quality services which add value to their projects". Our vision is the conduit for this success, and is founded on a teambuilding approach to our employee and client relationships. This Vision encompasses the tradition of quality services with an emphasis on innovation. Integral to the concept of quality is our adherence to the ethical and professional standards. We'll strive to implement long term relationship with our clients, based on safety, quality, timely service and an anticipation of their needs.

QUALITY POLICY

The QUALITY POLICY adopted by ITE aims at enhancing customer satisfaction through effective application of the quality management system for continuous improvement of the system and the assurance of conformity to customer and regulatory requirements. Our HSE POLICY aims to deliver the quality services ensuring the health, safety and environment is not compromised. We adhere to the highest quality standards with stringent quality checks at every nodal point.

At ITE we are highly quality conscious and we strive to produce work of the highest quality at the lower possible cost and in the least amount of time.

ITE believes in team effort. We believe that it is a joint effort of both our team and project members of client for success of project. This approach has lead to long lasting relation with clients.

ITE CALIBRATION LAB

Electronics

- Multimeters
- Simulators
- Resistance Box
- Capacitance Box
- Loop/Process Calibrators
- Multi-Function Calibrators
- Wheatstone bridges

Frequency

- Timers
- Oscilloscopes
- Signal / Function generators
- Meters
- Universal counters
- Frequency source

Temperature

- Bi-metal
- Switches
- Controllers
- Liquid in glass thermometers
- IR thermometers
- RTD
- Recorders
- Transmitters
- Thermocouples

- Digital thermometers
- Oil/ Dr-block calibrators

Electrical

- Oil test Set
- Relay test set
- Power meters
- HV insulation testers
- Primary current injectors
- HV transformer test set
- AC/DC hipot tester [0-200KV]

ITE CALIBRATION LAB

Dimensional

- Calipers
- Micrometers
- Welding gauges
- Pin gauges
- Dial Indicators
- Height / Depth gauges
- Go/No-Go gauges

Force/Mass

- Balances
- Gram Series
- Test Weights
- Torque Testers
- Torque Wrenches
- Push-Pull Gauges

Pressure

- Controllers
- Relief Valve
- Manometers
- Transmitters
- I/P Converters
- Digital Indicators
- Pressure Switches
- Dead Weight Testers
- Transducer / Sensors

- Pneumatic / Hydraulic
Calibrators
- Absolute/Vacuum/Gauge
Pressures

Others

- Stroboscopes
- RH Meters
- Lux Meters
- Tachometers
- Data Loggers
- Vibration Meters
- Ovens & Chambers

Middle East
CERTIFICATE

This Certificate is awarded to
INDUSTRIAL TECHNOLOGY BSC
100, 101 & 102, AL-KHAYMA INDUSTRIAL ZONE
SAUDI FREE ZONE, JUBAIL, SAUDI ARABIA

This certificate is awarded to
Industrial Technology BSC
for the successful completion of
Process, Installation and Maintenance of
Telecommunication and Fiber Optic Cables for
the Refinery (PTM), Haber for the Refining of TMS & Plant for
the Refinery (PTM) including Training and Customer Service

This certificate is awarded to
Industrial Technology BSC
for the successful completion of
Process, Installation and Maintenance of
Telecommunication and Fiber Optic Cables for
the Refinery (PTM), Haber for the Refining of TMS & Plant for
the Refinery (PTM) including Training and Customer Service
